Summary

--- A single pixel can make a big difference on a product. ---

--- Don't expect your customers to do exactly the same things you did on your website ---

--- Arise the topic. Accept your responsibility. Be brave to take challenges ---

--- Freelance doesn't mean "freedom". Instead, it means a lot of responsibility. ---

--- If something is necessary, there is always a possibility. ---

--- Don't pretend to be good at what you are not. Just do your best at what you are really good at. ---
